CHARGE TO COMMITTEE

This committee is advisory to the Provost and the Vice President for Administration and Finance. They are charged to develop and implement processes and procedures for managing campus space and facility use. All recommendations should be focused on creating a physical environment on campus where function, aesthetic quality, and physical characteristics are blended to create a desirable and inspirational atmosphere for students, faculty and staff. Areas of review include, but may not be limited to, selection of sites for new buildings and other facilities on campus, review of Sonoma State University's five-year Capital Outlay Program submission, the assignment of space, building and renovation plans, alteration to the campus grounds, campus planning and design standards, and the prioritization of minor and major capital requests. The work done by this committee will provide recommendations to the Provost and the Vice President of Administration & Finance for consideration of, regarding resource planning for physical facilities projects, improvements, and additions.
